

**Jim O'Donnell, M.B.A, PMP,**

Jim's unique combination of technical knowledge, Project Management experience and interpersonal skills has helped him become one of the highest rated Project Management instructors at companies such as Boeing, the State of Oregon, the State of Utah, Lockheed Martin, LA Unified School District, Pacific Life and others.

Jim earned a BS and an MS in Computational Physics from Carnegie Mellon University and an MBA from the Florida Institute of Technology and is currently enrolled in the PhD Leadership program at Argosy University in Seattle.

With over 20 years experience as a Project Manager in the Oil and Gas, Software Development, and Corporate Training industries, Jim brings a great deal of experience into the classroom where he teaches the complete range of PMBOK<sup>®</sup> based material and also teaches both technology and leadership courses at the MBA program of Argosy University in Seattle.

Jim has also written and spoken extensively on various PM topics and has authored the following Project Management texts for Protégé PM:

- "Foundations of Project Management"
- "PMP Cert Prep"
- "PM Estimating and risk"
